MISS LILY GUSTAFSON

The Senior Class has had to suffer the loss of one of its outstanding members in the person of Lily Gustafson. She was snatched away from us so swiftly that most of us have not yet grasped the total meaning of it. With a beautiful personality she endeared herself to all of her classmates as well as underclassmen. She leaves a host of friends behind her. In heartfelt condolence to her family for the irretrievable loss they sustained the Senior Class dedicates this, their classbook, to her memory.

Editorial

Once again a graduating class steps from the portals of Branford High School. Inexhaustible and hopeful youth is a symbol of their spirit. What sort of a world are they entering?

First of all they are entering into the life of a young nation; full of hope. Life in all its phases was never at such a high pitch. We would have to go back to the Age of Pericles or, more apropos, to the Elizabethan Age. We don't mean to say that our age at the present moment is a great age as these, but, and this is the point, that it may become one. Historically considered this should be true. Even Rome turned to the arts and to a rich national life after they established their empire on a sound material basis.

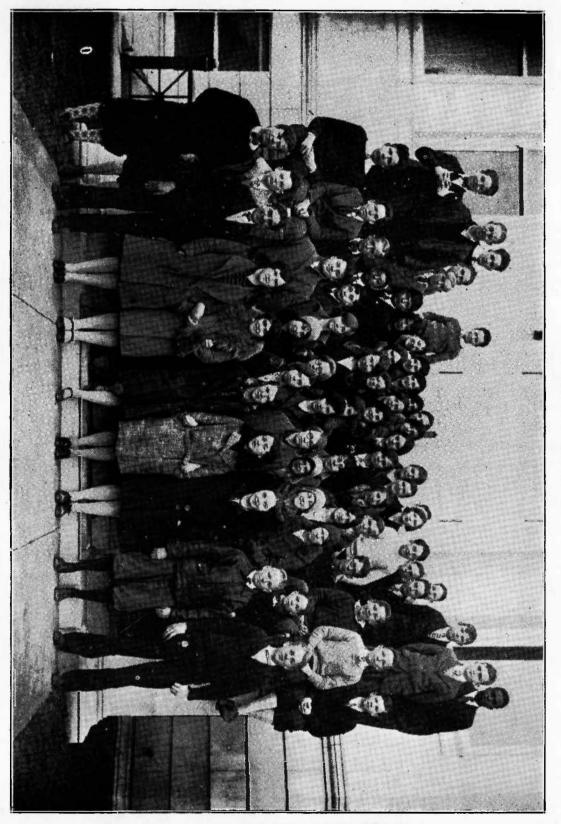

But one may ask: what has this to do with graduating classes? Quite a bit, it seems to me. Since they must live their life and develop their personality in this environment they should study it and be always eager to know more about it. Life is like a game of skill. We should study it and the players before us. Only through books can one learn how life was lived at its best in the past. We of the graduating class step into a world full of limitless possibilities. Perchance we may help to create a great age in the tapestry of History. But at any rate let us do our best to make this a better world.

President's Message

"Dear Classmates, and all those who are here as visitors, our four year voyage has ended and we have arrived at the shores of life—an unknown country. But not totally unknown, classmates, for we have spent four years in preparing for it. I think we all feel that they were four happy years, full of fun, good cheer and fellowship.

Life is hard, difficult, beautiful and ugly. It is all things. Before we can attain to the Art of Living there will be a difficult journey ahead. But it will be easier, classmates, if we remember our class motto: Animo et Fide, By Faith and Courage.

Mark that last word—Courage. It is a mighty word. Guided by it we can live bravely and fearlessly. As the axiom says: It is better to have tried and lost than never to have tried at all. And now just a few words more. Endeared to each other by four years of association we leave each other reluctantly. Let us leave with that symbol of Roman tenderness on our lips: Ave atque Vale, Hail and Farewell.

History of the Class of 1929

BY

MARY COOKE

"Time is a sort of river of passing events and strong is its current; no sooner is a thing brought to sight than it is swept by and another takes its place."

Classmates, we have almost reached the goal toward which we have been striving for the past four years, namely--graduation. Time and events have passed all too quickly, and even now we are gathered together for one of the last times as a class of Branford High School. Let us therefore pause for a few moments to think over some of the things which have endeared the past four years to our memories.

It is a fact, recognized and acknowledged not only by our teachers but also by ourselves, that during our high school career we have acted as individuals rather than as a united body. Whether this or otherwise is the better way we do not know, but we do know that in all phases of our school life the members of our class have seemed to be quite above the average. One has only to look at our honor list to see that it is not brains that our class lacked, for there we find students from each of the school's different courses. Along other lines we have also excelled. The number of fine athletes among the boys in our class is unusual, some of them starring not only in one sport but in all three. Dramatic ability is not lacking either, as those who have witnessed various school plays, know. Therefore, we feel that even though as a united class we have not been all that could be desired, as individuals we have been, by no means, failures.

Having settled that question, we hope satisfactorily, let us now go back to the days when we first entered high school. We can all remember our first day when we climbed the long flights of stairs to the Freshman rooms in "Nigger Heaven", where we were to abide for a year. Although very timid and retiring, as all Freshmen are supposed to be, we soon organized our class and elected officers. They were: George Brown, President; Eunice Houde, Vice-President; James Fisher, Secretary; and Throop Brown, Treasurer. One of our strong points during that first year seems to have been debating, for records show that there were several debates between the respective English classs of Miss Jnkins and Mr. Feldman. Another feature of that year was the Freshman Dramatic Club under the able leadership of Miss Bender and Miss Booth. Those of us who were privileged to be members can recall, no doubt, the gay times we used to have at the meetings which were held in the old Community House on Main Street. "Stunts" and "eats" were the two principal factors of those meetings, and visions of fudge, several inches thick, furnished by George Mischler (we wondered if he made it himself) return at frequent intervals. The final appearance of this club was in a short play called "Sauce for the Goslings" which was given before a meeting of the Parent-Teachers' Association, and later at a school assembly. The members who took part were: Carol Gaylord, Shelley McGrail, Ida LaCroix, Ann Collins, James Fisher, William Hitchcock and George Mischler.

After a year of tramping up and down seemingly endless flights of stairs, we were very thankful when we became Sophomores and retired to the main floor as our new headquarters. Upon getting settled we elected our new officers, they being: William Hitchcock, President; Robert Sanzero, Vice-President; Carol Gaylord, Secretary; and Richard Neal, Treasurer. During this year we still retained our debating powers, two members of the class, Carol Gaylord and Albert Steueck, being on the school debating team which was victorious over a similar team of Wallingford High School. Our Sophomore Hop, which was given during Easter vacation of that year, although not a great success because of adverse weather conditions, cleared enough to pay expenses, with a few cents to the good.

The next September found us again at B. H. S., this year registering in Room V, and doing what we could to turn Miss Bender's hair gray. The class was organized and officers were duly elected. They were: James Fisher, President; Phoebe Collins, Vice-President; Eunice Houde, Secretary; and Barbara Smith, Treasurer. This was our year to give the Prom and a very able committee consisting of Arthur McGowan, Chairman; Shelley McGrail, Susan Grown, Kyle Higgins, Lewis Close and Robert Sanzero was appointed. Their ability to manage such affairs was shown by the fact that eighty dollars over expenses was made, whereas preceding classes had considered themselves fortunate if they celeared xpnss.

We returnd last fall as Seniors for our last year, and it is to be feared that dignity, a recognized trait of Seniority, has not been one of ours. Our number had dwindled to fifty-three, having started out three years before eighty-three strong. Officers were elected in due course of time, they being: Arthur McGowan, President; Lewis Close, Vice-President; Robert Sanzero, Treasurer; and Susan Brown, Secretary. Since we were to have a class book, as classes before us had had, we elected a class book committee with Arthur McGowan as Editor-in-Chief. The next step along this line was having our "pitchers", as we call them, taken, to preserve our worthy countenances for future generations. Plans were then made for a Senior Play which wasto be given during Commencement Week, adhering to an old school custom of former days. The play chosen was a three act comedy called "Billeted" and was coached by Miss Murphy. Time then passed by so rapidly that before we realized it we were in the midst of Commencement activities, final exams, and all the rest of the events that occur in the last few days of school life. Strange to say, however, we suddenly had a feeling that graduation is not so desirable after all, and if we could postpone our departure we would like to. As that is impossible we are enjoying ourselves while we may with our Class Picnic, Banquet, Senior Reception and never-tobe-forgotten Commencement. With memories of these added to the already numerous ones of our career at Branford High School, we will leave to take our places in the unknown world.

Valedictory

ARTHUR MCGOWAN

Tonight, classmates, we reach a milestone which has been before our eyes for four years. We pause tonight to look back at these years with a feeling of gladness and regret—gladness because they were four happy years and regret because we must leave them. Four years together in study, play and work have welded us so that the result will always be stamped on our lives.

Before scattering to the four winds it would be well that we express our appreciation to any or all who have helped us to attain this goal.

Dear parents, on behalf of my classmates, I wish to express their appreciation of your patience, generosity and sympathy during the four years of our course. I trust that we will repay this confidence with lives well spent.

Mr. Westcott and the school board, we thank you sincerely for the educational opportunity rendered to us. We hope, also, to utilize the ideals gained from it in the strife of life.

Mr. Carr and members of the faculty, we each step forth into the world unaided but your hard work and sympathetic understanding have helped us to do this. Before parting let me express on behalf of my class their deep appreciation of your inspired teaching—Teachers, Farewell!

Underclassmen—to you remains a school limitless in its possibilities. Make the best of these and always strive to carry out the duties of the school. And so with this charge—schoolmates, farewell!

Classmates—It is a solemn thing to regard each other for the last time and to say farewell. But though separated in fact we will not be truly so if we are one in spirit. Let us, then, brave any weather with stout hearts and uncompromising ideals. Classmates—though reluctant we be, one word remains: Farewell, Classmates, Farewell!

Bessie Alex

"'Tis beauty truly blent, whose red and white Nature's own sweet and cunning hand laid on."

Bessie is one of our quiet girls. She is always happy and one never fails to draw forth her smile.

FRANCIS ("AARON") K. BARRON

"O, that this too, too solid flesh would melt, Thaw and resolve itself into a dew!"

"Aaron" is one of the big boys of the class. This makes him all the more fit for the football team. He was on the football teams of $1925 \cdot 28$. He was Captain of the senior basketball team, and was also a member of the Hi-Y.

LOUIS E. BIRBARIE

"He is in earnest.-In most profound earnest."

Louis is very quiet and is serious in his studies. Nevertheless he has had plenty of time for athletics. He was a member of the football squad in 1927. He was on the basketball team in 1927-29.

Edwin F. Bomboliski

"The meek shall inherit the earth."

Edwin is very quiet and does not take part in any of the school athletics. He works diligently on his studies every day.

MARY BOMBOLISKI

"She was ever precise in promise-keeping."

Mary is as good as her word. She is always ready to do something for someone.

Howard has won considerable recognition through his typing. He is always ready to assist a teacher by pounding out a contract at the last minute.

He was basketball manager in '28-29; Sports Editor of the "BANNER"; Football Dance Committee, '28; French and English Dramatics, '29.

Mary is a splendid typist. With her store of ability, she typed off numerous English Contracts which proved fatal to many of her classmates.

LEWIS ("LEW") M. CLOSE

"A friend to many, a joy to all he meets."

"Lew" is the most popular boy in the Senior Class. He was on the Junior Prom Committee and played football three years. He was Assistant Captain of the football team in '28. "Lou" is Vice-President of the Senior Class.

ANN COLLINS

"O dry, O dry those tears."

Ann can always be found "either up in the garret or down in the cellar." Nevertheless she is a good kid and one of the high honor pupils. She has participated in the following school activities: Banner Board 1926-1929; Soccer Team 1927-28; French Club 1927-28; Freshman Dramatic Association.

PHOEBE COLLINS

"I had rather than forty shillings I had my book of songs and sonnets here."

This quotation certainly describes Phoebe to a T. She can be found at any hour of the day writing poetry. However, this does not keep her from being a fine sport and an excellent worker in school activities. She was a member of the Freshman Debating Team and was in the Freshman Dramatic Club. She played on the girls' basketball team in 1927-28. She was Vice-President of the Junior Class and was a member of the French Club in the same year. In her Senior Year she was literary editor of the "Banner" and on the "Class Book" Committee. She took part in both French and English Dramatics.

MARY COOKE

"Let me report to him your sweet dependency."

What could describe Mary better than this quotation? Mary is one of our best girl athletes. She played on the Soccer Team in '27, and on the basketball team in '27-'28. Mary wrote the "Class History" for the Class Book. She took part in both Freshman and Senior Dramatics.

JAMES L. HOPPER

"He could determine and divide A hair 'twixt south and southwest side."

James was a high honor pupil but this did not take up all his time. He was a member of the Freshman Dramatic Club; was on the Sophomore Hop Committee; and was a member of the French Club in 1927-28. In his Junior year he won a prize in the Prohibition Essay Contest; was on the Banner Board in 1927-29; in the Glee Club 1927-29; was on the Class Book and the Senior Reception Committee. James was the local winner in the Brooks-Bright Foundation Essay Contest.

VERA HOSLEY

"As good luck would have it."

Vera is always bubbling over with vitality and good fun She was on the Christmas Dance Committee in '28 and a member of the cast of "Captain Kidd" in '29. Vera is in the Glee Club and has one of the principal roles in the Senior play, "Billeted." Vera is Comic Editor of the Class Book.

EUNICE HOUDE

"With a sweet shy smile."

Although Eunice was absent a great deal during the Junior year, she graduated an honor student. She also participated in other curricular activities. She was Vice-President of the Freshman Class; was on the Student Council in 1927-28, and was Treasurer of the class during the same year; in 1928-29 she was Vice-President of the A. A., one of the cast of "Captain Kidd," and on the Executive Committee for Senior Dramatics.

BERTHA JASPERSON

"The hand that hath made you fair hath made you good."

"Bert" is no shirker when it comes to studies or extra curricula activities. She was on the Debating Team in '28; competed in the Oratorical Contest in 1927-28; was a member of the Glee Club during her entire High School course; played on the Soccer Team in '28; was in the "Captain Kidd" chorus in '29; and a member of the French Club in '28.

ALICE JOHNSON

"I would have peace and quietness."

Alice is another of our quiet girls; she is also very modest and shy. We have never seen her lose her temper, so we think that she may not even have one.

IDA LACROIX

"Hang sorrow. Care will kill a cat, And therefore let's be merry."

Ida is certainly happy-go-lucky. Nothing seems to bother her.

Ida was in the Freshman Dramatic Club; played Soccer in 1927-28; was Secretary and Treasurer of the Glee Club 1928-29; was a member of the cast of "Captain Kidd"; and was a member of the Committee for Senior Dramatics.

INGEBORG LIND

"Her friends know her truth worth."

Ingeborg came to Branford High at the beginning of the Senior year and it didn't take us long to find out that she is a fine student and a true friend. The first period English Class will not soon forget her splendid oral themes. We also soon discovered that Ingeborg is a fine athlete and an accomplished violinist.

CHARLOTTE LINSLEY

"O, she doth teach the torches to burn bright!"

Charlotte desires very much to become a teacher and we are sure that she will make a fine one. Charlotte does not go in for social activities but she studies hard and is liked by her classmates.

HELEN LONGGARD

"Such joy ambitions finds."

Helen can always be found dashing about in the halls. She is more than ambitious and is always ready to help someone ont.

Helen played on the Soccer Team; was a member of the Glee Club, 1927-29; and takes part in Senior Dramatics.

ARTHUR ("SHARKIE") C. MCGOWAN "And still they gazed, and still the wonder grew That one small head could carry all he knew." "Sharkie" has held almost as many offices in his four years as an A-1 student as any two students in our class. President of Class '29. Football Dance Committee '29. French Club '27-'28. President of A. A. '29. Editor-in-Chief of Banner '29. Harvard Book Prize '28. Editor-in-Chief of Class Book Football, '27-'29. Manager of Football '29. 29. French Dramatics '29. Freshman Basketball '25. Basketball '26-'29. Chairman of Senior Reception Freshman Debate '25. 29 Chairman of Prom Committee Senior Dramatics Committee 28 29.. Banner Board '28-'29.

SHELLEY MCGRAIL

"As merry as the day is long."

Who ever saw Shelley when she wasn't her own natural self? To be always pleasant and congenial is a characteristic to be desired by everyone. Shelley was a member of the Freshman Dramatic Club; was on the Sophomore Hop Committee; was on the Junior Prom Committee; was one of the cast of "Captain Kidd"; was Assistant Comic Editor of the "Banner"; was a member of the Glee Club; and took part in Senior Dramatics.

PHILIP ("PHIL") E. MCKEON

"A smile for all, a welcome glad, A jovial coaxing way he had."

"Phil" was star pitcher on the baseball team during his Senior year. He not only starred in baseball but was also on the football and basketball teams. The most handsome man in the class, his winning smile and personality made him many friends.

GEORGE MISCHLER

"Energy and persistence conquer all things."

George is a "plugger" and always sticks to whatever he sets out to do. Who can hang on the steps of the prominent business men and secure "Ads" better than George? George participated in Freshman Dramatics; was on the Sophomore Hop Committee; was on the Debating Team in '28; was a member of the French Club in 1927-28! was one of the cast of "Robinson Crusoe"; Alumni Editor of the Banner '28-29; was on the Class Book Committee and on the Senior Reception Committee in '29.

IRWIN ("SQUIRREL") B. MORTON

"Such sober certainty of waking bliss."

"Squirrel" is quiet and slow but he always seems to be contented. Moreover, quietness doesn't hinder him from being well liked by all who know him. "Squirrel" was interested in athletics and one could always find him at all the games.

MARGARET MORTON

"I am sure care's an enemy to life."

This quotation seems to describe "Peggy" perfectly. Who ever saw Peggy without her good humor and sunny smile?

Peggy is the most athletic girl in the Senior class. She was Secretary of the A. A. in 1928-29; Captain of the Junior Soccer Team, and played basketball in 1927-28. Peggy was a member of both the Freshman Dramatic Club and of the French Club.

RICHARD ("DICK") E. NEAL

"For every why he had a wherefore."

Dick was certainly a terror to Miss Murphy in her 4th period English class. More than once his wit almost got the better of Miss Murphy's endurance. Nevertheless, we are glad he enjoyed himself, because, after all, it was only wholesome fun.

ROLLIN H. PAINE

"So famous, so excellent in art, and still so rising."

We soon learned that Rollin is quite an artist and he may some day become the world's best cartoonist. Rollin is very quiet and does not go in for extra-curricular activities; never theless he is always congenial and well-liked by his classmates

MARIAN PALMER

"What better or properer can we call our own than the riches of our friends?"

Marian is going to enter Storrs in the fall to become a Domestic Science teacher. Here is a future teacher for that shiny new Domestic Science Lab. in the new school.

Marian was a member of the French Club during her Junior year, and of the Glee Club in 1928-29.

LEONIAL ("PUFF") E. RICE

"He hath eaten me out of house and home."

"Puff" is one of the "big" boys of the class. Maybe that is why he made good on the football team. He was on the football teams of 1927-28. He was one of the "fiddlers" in the High School Orchestra in 1927-28, and was on the Committee for Senior Dramatics.

VIOLET RICE

"Those who make the least noise do the most work."

Violet is one of our quiet girls, but she is also third highest scholastically in the Senior Class. Violet was also a fine athlete; she played on the girls' Basketball Team in 1927-28, and on the Soccer Team of the same year.

CARL L. ROTTS

"Silence is the perfectest herald of joy."

Carl is another one of our quiet boys, but he has a good time and looks on the bright side of everything. Carl was a fine typist and won awards in both typewriting and shorthand.

ROBERT ("RED") J. SANZERO

"This bold, bad man."

We seem to get this impression of "Red" because of his great success in both "Robinson Crusoe" and "Captain Kidd". "Red" was an athlete as well as an actor; he played on the football and baseball teams during his entire High School course. He was Captain of the Baseball Team in '29. "Red" was Treasurer of the Senior Class and Secretary of the Hi-Y in '29.

CATHERINE SCHWANFELDER

"Silence is the golden virtue."

Sometimes silent, sometimes not. Catherine is just like any other person in this respect. She is always ready to give a helping hand to anyone who needs it. Catherine belonged to the Glee Club for four years and took part in the Musical extravaganza "Captain Kidd". Catherine was on the Committee for Senior Dramatics.

LOIS SHEPARD

"When you do dance, I wish you A wave o' th' sea, that you might ever do Nothing but that."

Lois is a splendid dancer and this quotation seems to fit her exclusively. Lois is also a fine pianist and played in the High School Orchestra in 1927-28. Lois was on the Christmas Dance Committee of '28; played Soccer in the same year; was one of the cast of "Captain Kidd"; and was a winner in the W. C. T. U. Prize Essay Contest in 1928.

BARBARA SMITH

"Better late than never."

"Bob" very often comes to school after the bell has rung. Don't take it too much to heart, though, Barbara, because it's only a matter of a few minutes or even seconds. Moreover, doesn't Mr. Carr usually excuse you?

Every time the class gives a dance we always put Barbara on the committee, for she never shirks when it comes to extracurricular activities. She was on ahe Sophomore Hop Committee, the Junior Prom Committee, and the Senior Reception Committee. Barbara was on the Banner Board in '29 and was also on the committee for Senior Dramatics.

SIGRID SMITH

"A merrier girl, within the limit of becoming mirth, I never spent an hour's talk withal."

Sigrid is full of fun and talkative when she becomes well acquainted. She has been a member of the Glee Club for two years and had an important role in "Captain Kidd". Sigrid has won many Typewriting and shorthand awards.

EDWARD SMOLENSKI

"Surer to prosper than prosperity Could have assured us."

"Eddie" is so quiet that one scarcely realizes he is present unless one knows him. He may be just the opposite outside, but that's the impression he gives in school. "Eddie" is well liked by all, and really that's what counts. "Eddie" had an important part in the Senior play, "Billeted."

Albert C. Steucek

"I, thus neglecting worldly ends, all dedicated To closeness, and the bettering of my mind."

"Al" is quiet, yet he likes to get in his little arguments with the teachers. He played football and baseball in his Junior and Senior years; was on the Student Council in 1924-27; was on the Debating Team in his Freshman, Sophomore and Junior years. In 1927-28 "Al" was Business Manager of the "Banner".

EMILE ("MILLY") J. THOMAS

"An athlete and a smiler."

You all know "Milly" is just that. He has always shown his liking for athletics; he played on the Football Teams of 1925-28; was on the Track Team of '26; was Captain of the Second Team in basketball in '26-'27; played on the First Team in 1928-29; and played on the baseball teams of 1926-29. "Milly" was on the Sophomore Hop Committee. He won Typewriting awards in '29.

MARY TOBIN

"Infinite riches in a little room."

Mary is very quiet and shy and seldom expresses her thoughts, yet when she does, she is well worth hearing. Mary was a French scholar and was a member of the French Club in '28.

HENRY ("HENNIE") V. TROJANOSKI

"God match me with a good dancer!"

"Hennie" lived to dance and was rightly voted Best Dancer. In the field of sports "Hennie" was also highly accomplished; he played on the football teams of 1927-28; was on the basketball teams for three years; played baseball in 1928-29; and was on the Track Team in '26. "Hennie" was on the Banner Board in '29.

MARTHA WALL

"Keep house and ply her book, welcome her friends."

Martha deserves special credit in that she has not only gone through school but has been an excellent housekeeper at the same time.

Martha is very companionable and friendly and is wellliked by her classmates.

43

HELEN WILKINS

"Society, saith the text, is the happine.s of life."

Helen makes a charming friend and hostess and will sometime become one of the leading "society ladies" of the country. Helen was on the Sophomore Hop Committee; was in "Captain Kidd"; was on the Committee for the football dance; a member of the French Club in 1927-28; in the Glee Club in 1927-29. Helen played Soccer in her Junior year.

ELIZABETH ZVONKOVIC

"Her eyes are like the waves of the sea, dancing in the April sunshine."

If we remember correctly it was Betty who was caught rolling her eyes over at the library. Never mind, we like them.

Betty was an ardent lover of Mr. Carr and the office during her four years in B. H. S. She is an excellent typist, that probably accounts for it. She won numerous typewriting awards in 1927-28, and was a winner in the W. C. T. U. Prize Essay Contest in her Junior year.

Marvelous Prof. "Now students," said Mr. Schimmel, explaining a problem in Chemistry, "just watch the board while I go through it."

Miss Patzke—Rollin Paine will you behave? Paine—I am. Miss Patzke--I should hate to see you when you weren't.

Miss Murphy—What's the Age of Elizabeth? Thomas—She's seventeen.

Fisher—Hey James, a chap here thinks that a football coach has four wheels. Hopper—Haw! Haw! And how many wheels has the bally thing?

Barron—I had to leave school on account of pneumonia. Steucek—Yeah. Barron—Yeah, I couldn't spell it.

Lew Close—Say Ed., did you hear how they take the census in Scotland? Smolenski—No, how? Close—They roll a nickel down the street.

"It's easy to double money," said Sanzero as he folded a five-dollar bill.

Mr. Schimmel claims that NO_2 is the niterate. McGowan wants to know what the dayrate is.

Lois—"I wonder why they say Amen and not Awomen?" Ann—"Because they sing hymns and not hers."

Miss Jacobs-Which girls do you think have more liberty, the French or the American?

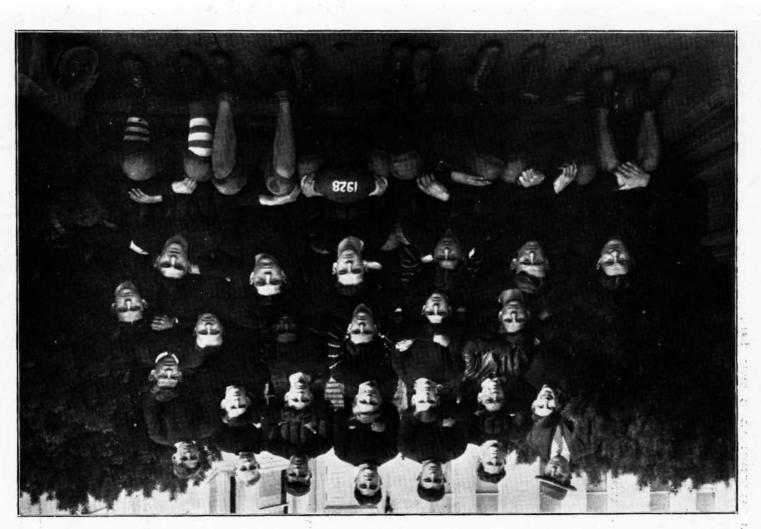

Hopper-We do.

Miss McNamara-"Spell ferment and give its definition."

Dick Neal-"F-e-r-m-e-n-t. To work."

Miss McNamara—"Now use it in a sentence, so I may be sure you understand it."

Neal—"In nice weather I would rather skip down to the baseball field than 'ferment' in school."

FOOTBALL

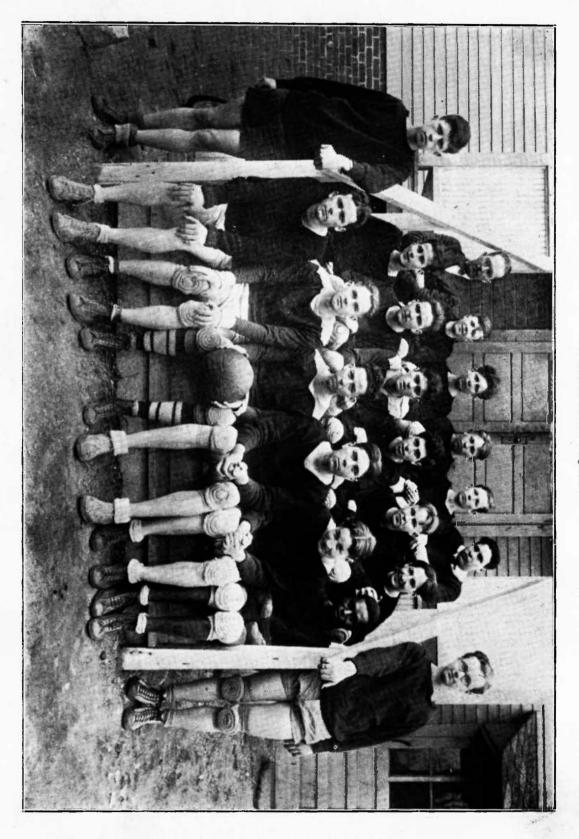

Branford had a very successful year in football. At the start of the season, with a green team, the chances did not seem very good. Henry Trojanoski, an end, was elected captain. It was a very light team, but some heavy, well-balanced combinations were played from larger schools than ours. Although we did not finish first in the league, the team had a better record than any other ever representing the school. Branford lost only one game, that being to Derby by the score of 13.7, in the final minutes. One game was tied at 6.6, with Milford. The rest of the league games were won and three more outside of the league were won also.

Basketball

The team started off the year in a very good manner. Bud Fisher was elected captain, and played one of the forward positions, with McGowan in the other. McKeon was the center and Thomas and Trojanoski were the guards. These five men were veterans of the year before and seemed to improve this year. The substitutes were Laich, Pauk, and Birbarie. Branford played some new and large teams, that had never been played by the school before. Branford lost three games in the league and won two.

Stratford, one of the teams that we beat in the league, was beaten by a score of 44.0, which was a record. The scoring was done by all of the team, and there were never any really high scores.

Branford has a better chance of winning the cup this year than ever before. "Red" Sanzero is the captain and catcher, and McKeon, who used to play shortstop, is the pitcher. The season started with a victory over Guilford, who had beaten Branford many times in the past. The first three league games were won; and it was expected that we would win the rest of the games easily, until the last game of the season with Derby. Derby won the League championship last year and was expected to win it again. As both Branford and Derby will probably be undefeated, the game should be close, with the cup going to the winner. Milford, one of the strongest teams in the league, was defeated first by the score of 11-1. This victory gave the team much confidence.
