Citizenship Preparation Classes

This **free** course is designed to help prepare adult immigrants for the naturalization process to citizenship. The instructor in this course has been trained by the USCIS office. Lessons include naturalization requirements, developing English language skills*, civics content knowledge, learning about the form N-400** (Application) and the naturalization interview. Classes focus on culture, history, geography, government and the 100 test questions. Students will speak, read and write in every class. Classes are for 2 semesters from September-May. This class helps you to study and understand the naturalization process so you will be better prepared to become a citizen of the United States.

Requirements

*You should have at least an intermediate level of English for these classes.

**You should wait to apply for citizenship until you are enrolled in this class.

Students who are not applying for Citizenship at this time, but who want to learn about the United States are also welcome to attend.
