## PROGRAMS

### Connecticut Partnership for Long-Term Care Information Session

Thursday, December 3 @ 6:30–7:30 pm

Do you know how to protect your assets should you need long-term care? Aldo Pantano with the State Office of Policy and Management will discuss how you can plan ahead. No company specific products will be discussed, and there will be no sales pitch—just information that you need to know.

### High School Diploma Information

### Sessions: Presented by Shoreline Adult Education

Thursdays @ 11 am or 6 pm

December 10, January 14, or February 11

Learn how Shoreline Adult Education can help you earn a high school diploma. These programs are free and designed to meet the needs of individuals in varying stages of life.

### Little Sister: Local Author Talk

Saturday, December 12 @ 2:30–3:30 pm

Local author Patricia Walsh Chadwick will discuss her memoir, *Little Sister*, which sheds light on her childhood experience growing up in a religious cult in the 1950s and 60s.

### Branford Forum: Creativity in Art and Science

Sunday, December 13 @ 2–3 pm

Corina Alvarezdelugo, gallery director of the Ethel Walker School, and Leonard Kaczmarek, Yale research professor of Pharmacology and Cellular and Molecular Physiology, will speak on "Creativity in Art and Science – What Lights the Spark and Leads to Innovation?"

### Know Your Roots: US Census Basics

Saturday, January 9 @ 1–2 pm

Learn how to use the US census when researching your family history. You'll access the census at [FamilySearch.org](http://FamilySearch.org), so you can do further research from home. *Sponsored by the Friends of the Blackstone Library.*

### No Rules: Local Author Talk

Saturday, January 16 @ 1–2 pm

Local author Sharon Dukett discusses her memoir, *No Rules*. Sharon left home at 16 to escape the limited life her parents had planned for her—and found herself thrown into the 1970s counterculture, an adult world for which she was unprepared.

### Making a Successful Career Pivot in Post-Pandemic Times

Saturday, January 23 @ 1–2 pm

Do you wonder if you are in the right job? Learn 8 strategies to adjust to a career change and evolving market demands. You'll learn ways to grow as a professional and be ready for change and opportunity. Presented by Mark Danaher.

### Nourishing the Nervous System: Herbs for Stress and Anxiety

Thursday, January 28 @ 6–7 pm

Nora Toomey, Clinical Herbalist of True Bloom, will teach you about plants that nourish and support the nervous system. Twenty participants will receive a free relaxing tea blend to jump-start your home apothecary! Must be picked up at the Blackstone and are first come, first served. *Sponsored by the Friends of the Blackstone Library.*

### The Beatles: Liverpool to Abbey Road

Saturday, February 6 @ 2–3 pm

Rock Historian Vincent Bruno will give this talk that follows in the footsteps of The Beatles, from their early days as a cover band, to the excitement of Beatlemania, through their creative groundbreaking studio albums and their final recordings at Abbey Road Studios. We will also explore the highlights of each individual's post-Beatles work. *Sponsored by the Friends of the Blackstone Library.*

**Wednesday @ 10 am–12 pm or 2–7 pm**  
**December 23, January 13, and February 24, while supplies last**

Stop by the library to pick up all the necessary materials to do a different activity each month. **Kits available while supplies last during contactless pick up hours, 10 am–12 pm and 2–7 pm. No registration is required. Sponsored by the Friends of the Blackstone Library.**

### Snowmen at Night: Drawing Workshop with Library Arts (grades K–4)

**Monday, December 28 @ 2–3 pm**  
Doris Benter of Library Arts will read Mark Buthner's classic *Snowmen at Night*, and then will go step-by-step to help you recreate some of the illustrations. We'll provide all necessary drawing materials through contactless pickup. Additional instructions will be included in the registration confirmation. **Sponsored by the Friends of the Blackstone Library.**

### Gingerbread Building Workshop with Cooking Social Kids (grades K–4)

**Tuesday, December 29 @ 3:30–4:30 pm**  
During this virtual workshop, families will work together to create beautiful edible homes. We'll supply all necessary materials through contactless pick up. **Sponsored by the Friends of the Blackstone Library.**

### Rick Riordan Presents: Book Club

(grades 3–6)  
**Tuesday @ 4–5 pm**  
**December 31, January 28, February 25**  
Join us once a month for a virtual book club featuring titles from Rick Riordan Presents, which share cultures and backgrounds through stories inspired by their mythology, folklore, and heritage.

### Take Your Child to the Library Day with Riverside Reptiles Education Center

(for families)  
**Saturday, February 6 @ 11 am–12 pm**  
This year things are looking a little different for Take Your Child to the Library Day. We'll **come to you** with a presentation about all things reptile from the Riverside Reptiles Education Center. You will also be eligible for a free gift from Read to Grow (available through contactless pickup). **Sponsored by the Allan Louis Loeb Foundation.**

### Life Under the Ice with the Denison Pequotsepos Nature Center

(grades K–4)

Discover how animals like fish, frogs, turtles and beavers survive life under the ice in their frozen habitat! Meet reptiles and amphibians who stay warm in the Nature Center all winter long. **Sponsored by the Allan Louis Loeb Foundation.**

## Teens

### TAG: Teen Advisory Group (grades 6–12)

**Thursdays @ 3:30–4:30 pm**  
**September 3, October 1, November 5**  
Whether you've volunteered for our in-person teen group in the past or you're brand new to our library community, join us for a monthly club where we review new books for the library to purchase & choose upcoming events! Open to mature teens in grades 6 through 12.

### Among Us: Teen Game Night (grades 7–12)

**Mondays @ 5–7 pm**  
**December 14, January 11, February 8**  
Someone is acting suspicious on the library's discord server. Is it you? Join us once a month for a teen game night where we'll explore *Among Us*, an online social deduction game (like Werewolf), where some players are secretly working against the others. Identify the imposters & save your crew before it's too late!

### Mystery Take & Make 4 Teens

(grades 5–12)  
**Wednesday @ 10 am–12 pm or 2–7 pm**  
**December 23, January 13, February 24**  
Once a month, we're putting together mystery bags with a craft, just for you. Just drop by the library, pick one up, take it & make it! Each month is a different craft. What will you get? Who knows! It could be a craft to keep...or an edible activity you eat! **Kits are available while supplies last during no-contact pickup hours, 10 am–12 pm, 2 pm–7 pm. No registration is required; don't forget your mask! Sponsored by the Friends of the Blackstone Library.**

### Cocoa Bombs (grades 5–12)

**Monday, January 25 @ 4:30–6 pm**  
We're making our own version of this viral TikTok craze: a giant chocolate truffle that, when you pour hot milk over it, will melt into the perfect cup of cocoa! Get a kit while they last & join Miss Sarah on discord to learn how to make your own cocoa bomb. The mold will be yours to keep, so you can make more for family & friends! Seats are limited, so register before it's too late! A waiting list will open when full. **Sponsored by the Friends of the Blackstone Library.**

### Dungeons & Dragons & Dice Boxes: Make Your Own Dice Box (grades 5–12)

**Monday, February 22 @ 4:30–7 pm**  
Calling all clerics, paladins, druids & monks! If you're a D&D player (or you'd like to be) this program is for you! We're gathering on discord to decorate our own wooden chests, which you can use to store your dice, magic items, or playing pieces. Seats are limited, so register before it's too late! A waiting list will open when full. **Sponsored by the Friends of the Blackstone Library.**
